

THE BEARCAT

1982

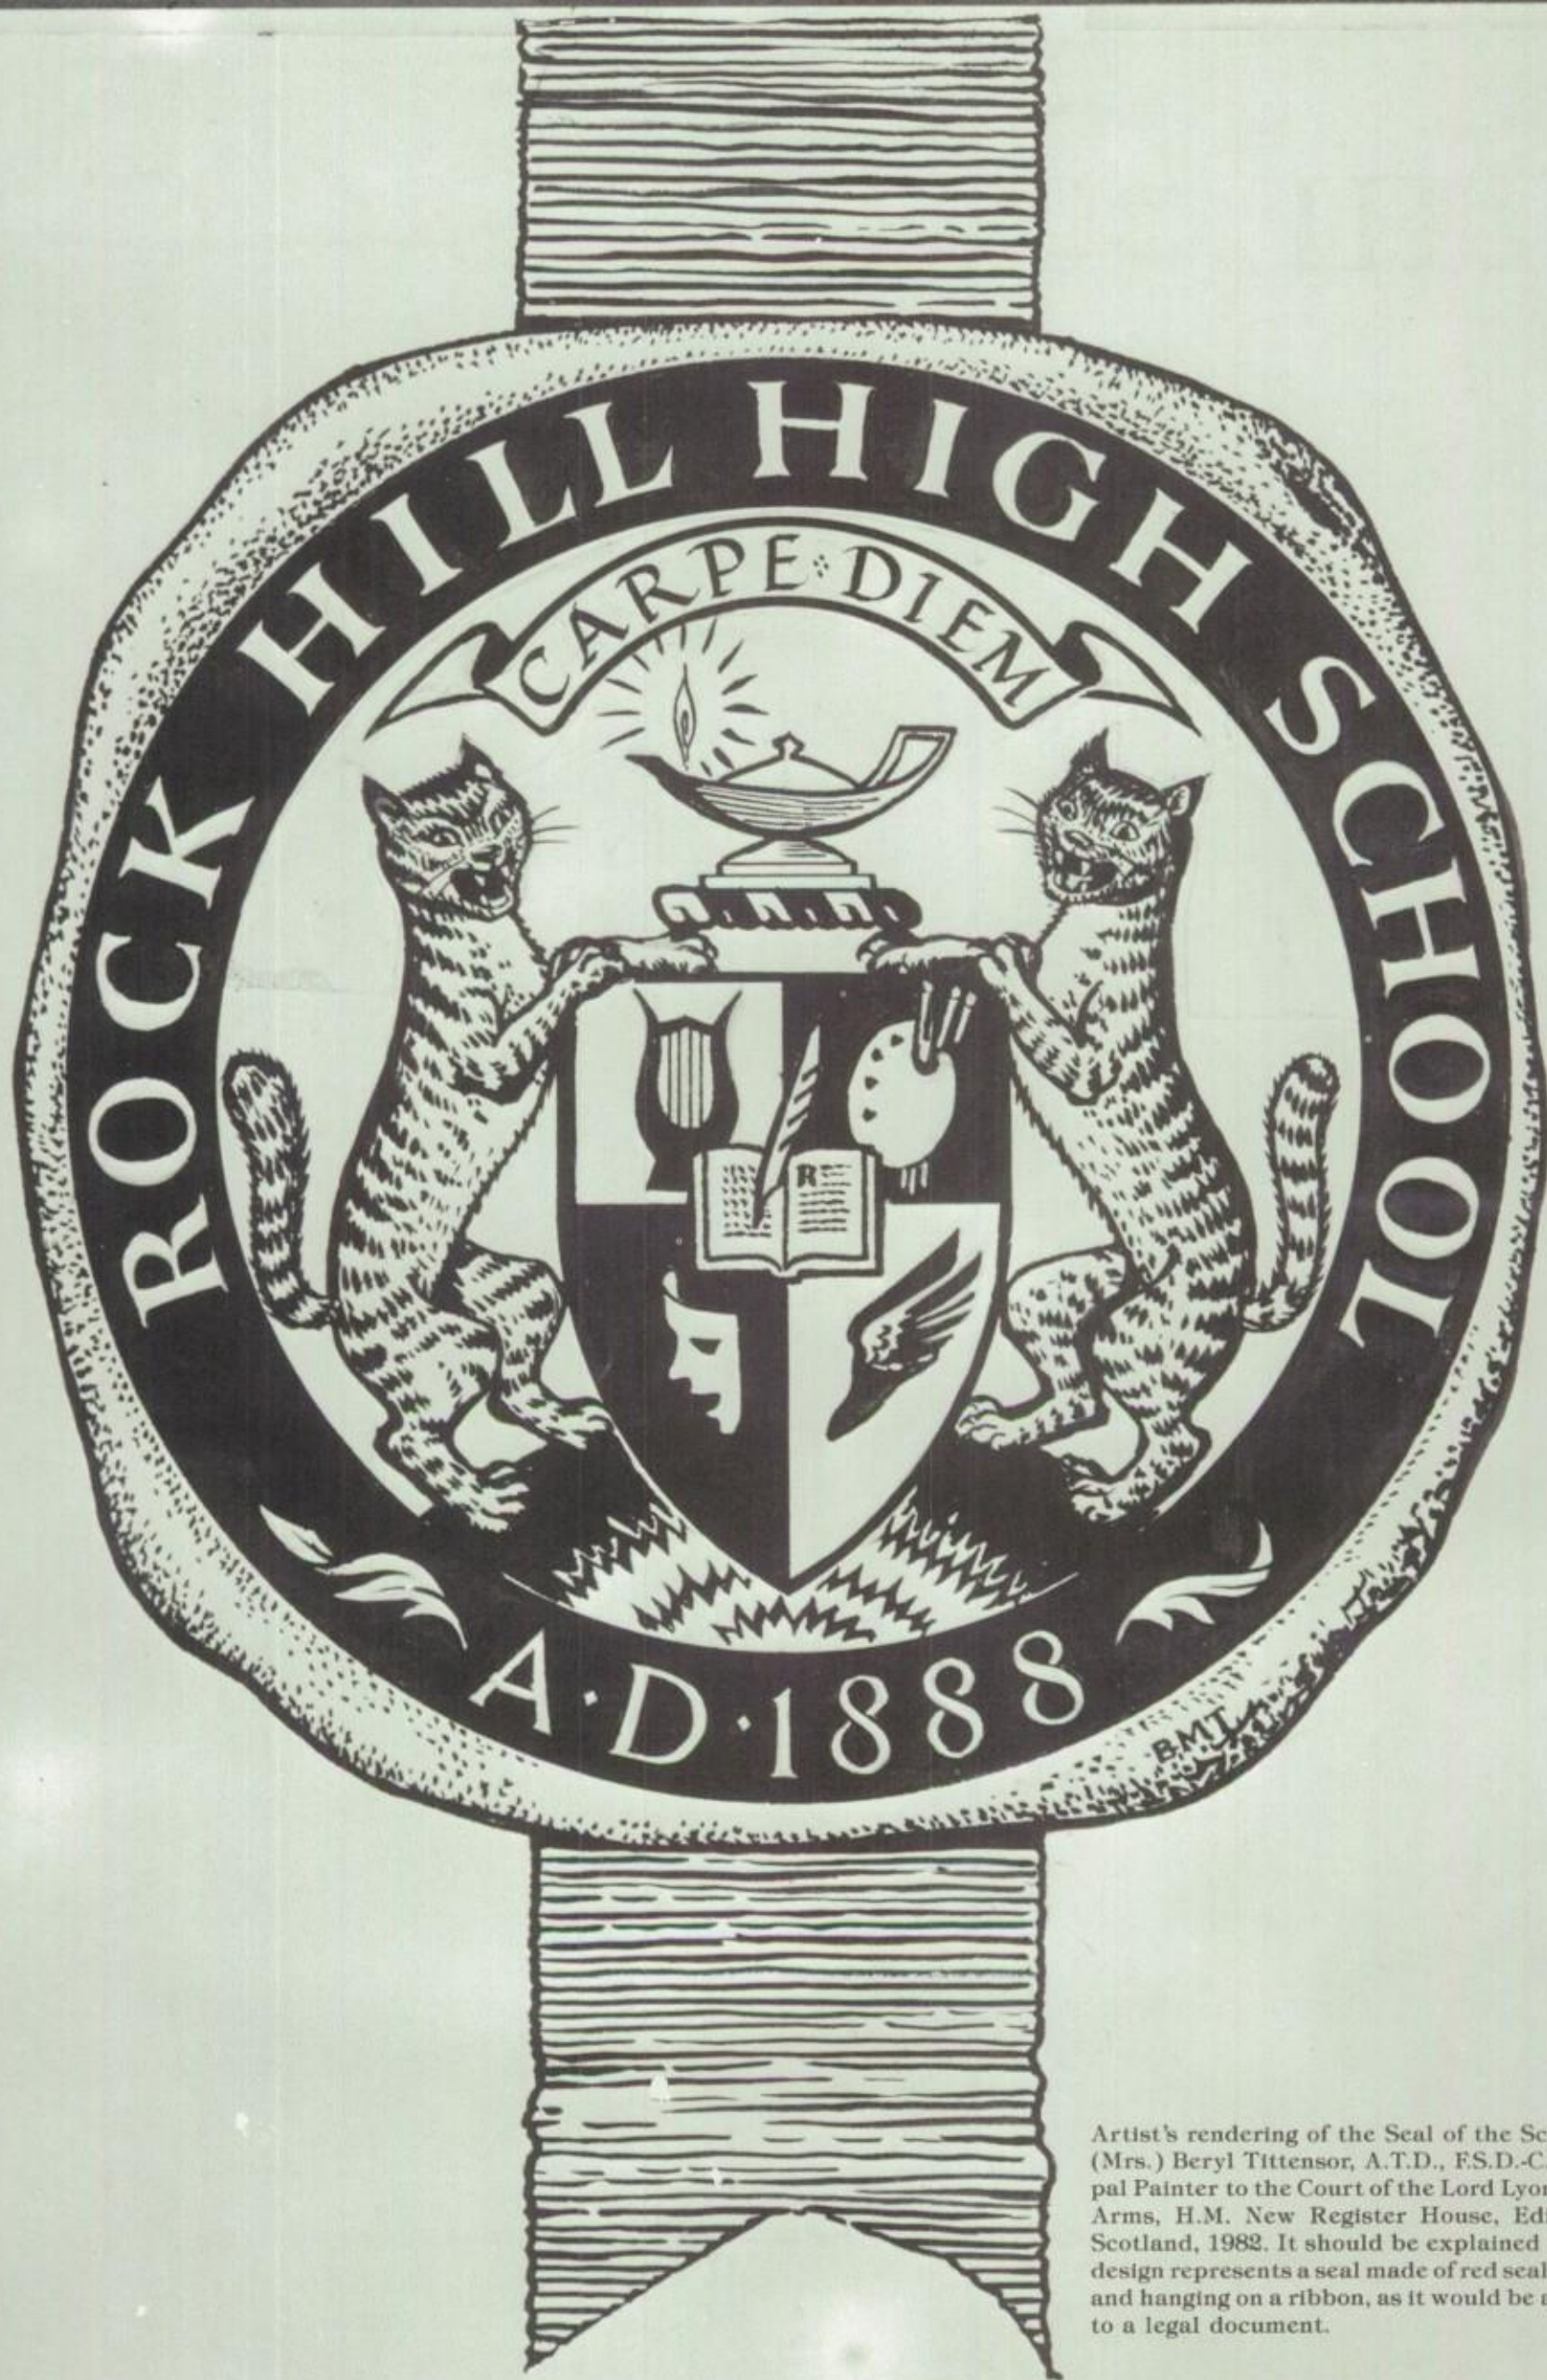

The end and aim of all education is the development of character.

Francis W. Parker

Hi Susan!
Boy do I feel
privileged! Writing on
the very first page! Well
I've had such a wonderful
year here at R.H. I'm especially
glad that we got to be such good
friends through Civinetes. We've
been through a lot together at
the Conventions haven't we? But
every minute has been worth it.
Remember BS forever! I'll see you
next year. And you better keep in
touch over the summer!
Love Ya!

Artist's rendering of the Seal of the School, by (Mrs.) Beryl Tittensor, A.T.D., F.S.D.-C., Principal Painter to the Court of the Lord Lyon King of Arms, H.M. New Register House, Edinburgh, Scotland, 1982. It should be explained that the design represents a seal made of red sealing wax, and hanging on a ribbon, as it would be attached to a legal document.

“A Worthy Friend”

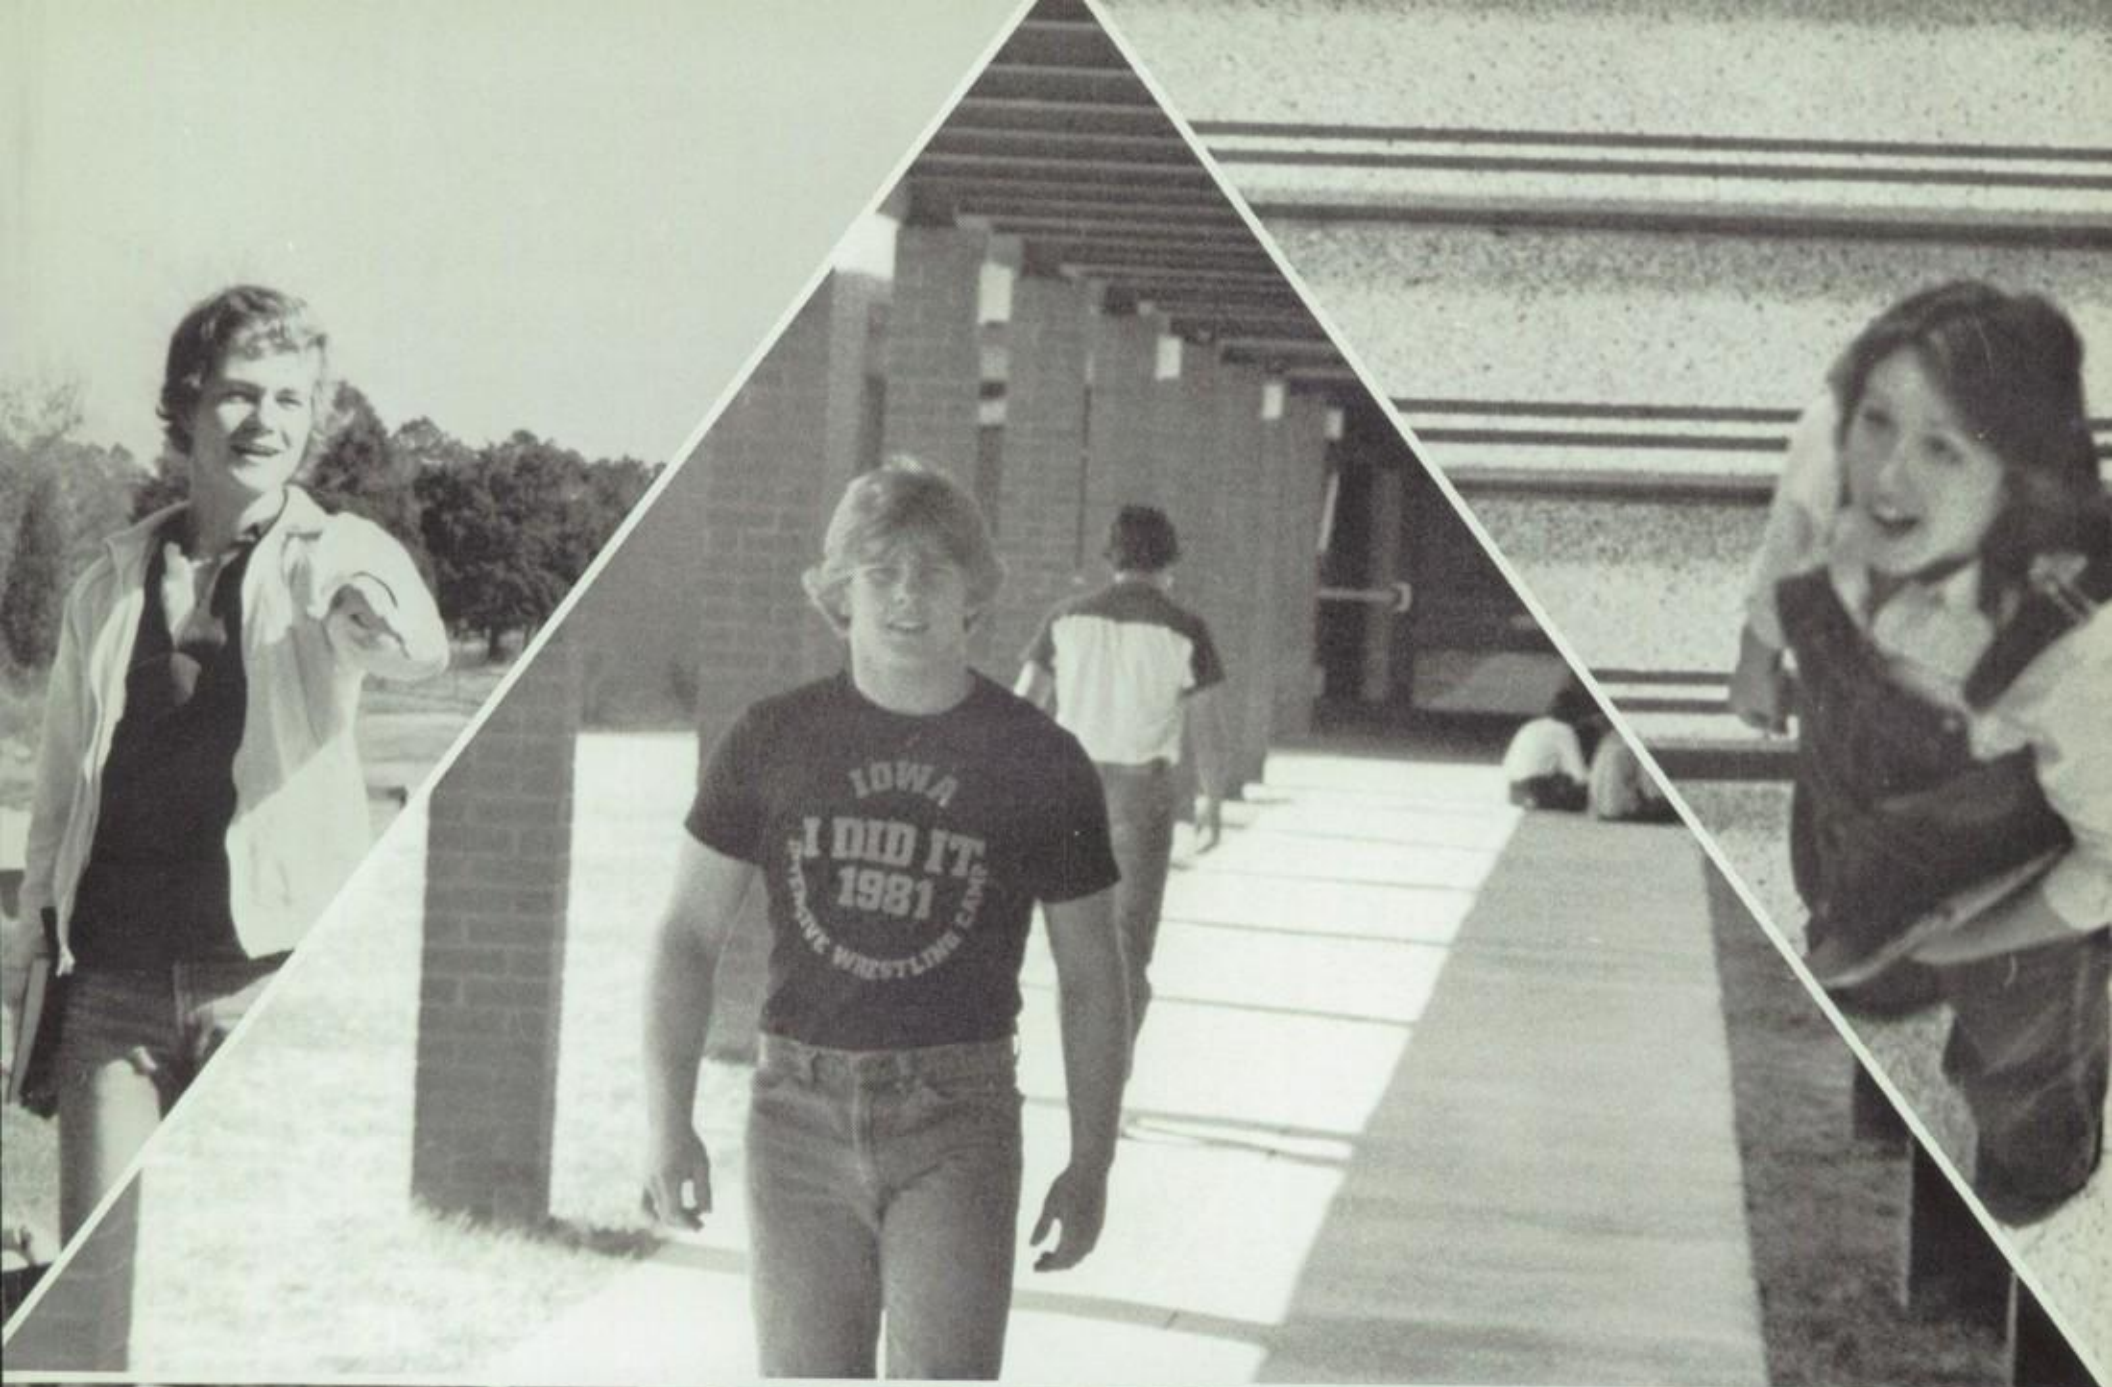

Dedication...

To one whose superb teaching has helped us to understand and appreciate history; to one whose enthusiastic leadership has been so invaluable to our National Honor Society; to one whose loyal support of all school activities has boosted our Bearcat Spirit; to one whose patient understanding, untiring efforts, and genuine interest and helpfulness have assured our respect and appreciation — we, the Class of 1982, dedicate our yearbook.

Dorothy H. Amick

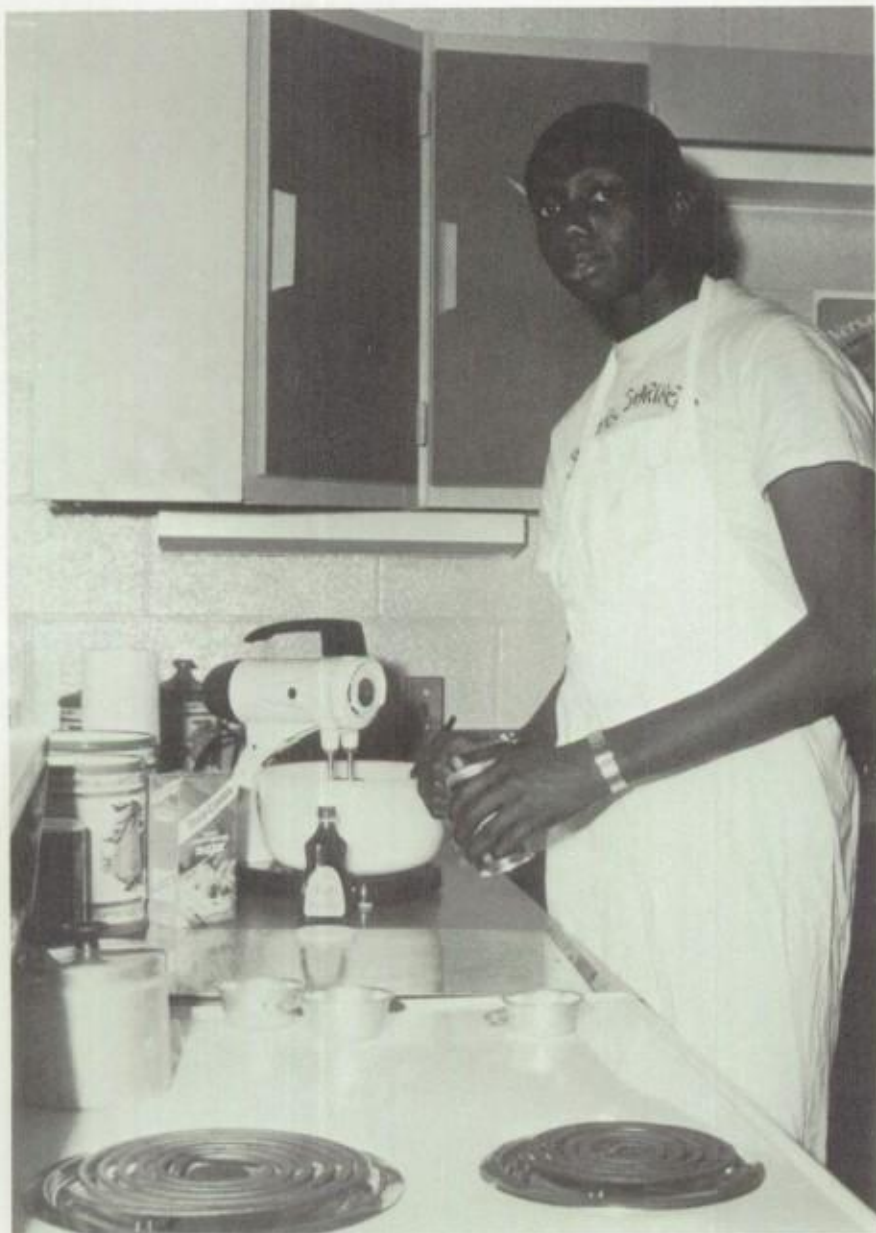

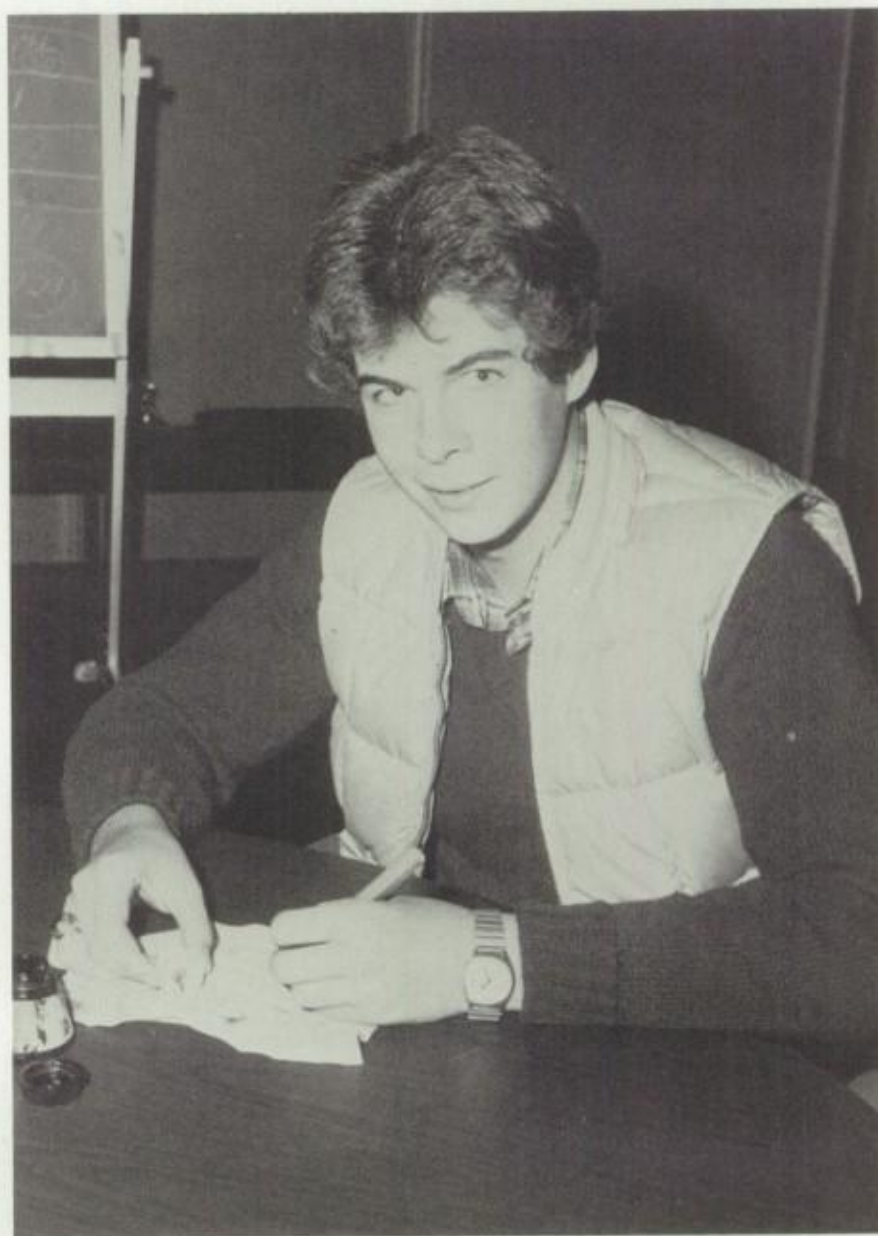

REPRESENTATIVE BEARCAT TALENT

WILL FENNELL

Expert carver and artist, Will Fennell excels at scrimshaw, the art of carving or engraving on whale ivory or whalebone. He has turned his exceptional gift into a lucrative pastime. Like his father and grandfather before him, Will is an outdoorsman, with many fabulous tales to tell and with many happy memories of hunting and fishing in South Carolina, and even in Canada.

JERRY LINDSAY

Expert cook and chef, Jerry Lindsay is called by his teacher, Mrs. B. Moore, "absolute tops" in the kitchen. He regularly prepares exciting and tasty dishes for school requirements in home economics and also just for everyone's enjoyment. He has what it takes to become a restaurateur of the future.

MIKE WHITE

One of RHHS's best resident artists, Mike White supplies excellent drawings for the Bearcat, for the school newspaper, and even for the York County Court. He wants to become the creator of his own comicstrip.

TODD WICKER

Editor of *The Garnet, Black, and Gold*, Todd is a talented writer, interested in both news writing and in fiction. Perhaps he will be one of our outstanding newspaper columnists of tomorrow. Todd is also active in Bearcat athletics.

DANIEL MOORE

A naturally talented musician with an ear for good music, Daniel is particularly gifted in playing on musical jars, which he has termed "The Comprehensive Jar Band." He is much in demand as an entertainer at numerous social and religious functions. Maybe he will have his own talent show some day.

CLEMSON TIGERS – 1981 NATIONAL CHAMPIONS

The year 1981 was the finest year ever for the Clemson Tigers. The unbeaten, untied football team became the national champions after defeating the Nebraska Cornhuskers in the Orange Bowl. People across the nation have stopped asking "who" and "where" when Clemson is mentioned. Everybody knows who they are and where they are. The awesome defensive unit, with All-Americans like Jeff Davis and Terry Kinard, the unpredictable Homer Jordan, outstanding receivers such as Tuttle and Magwood, and the methodical coaching of Danny Ford all add up to being Number "1." Grrrreat job, Tigers! You made all of South Carolina proud — even the Carolina fans! THIS YEAR'S BRAGGING RIGHTS go to the Rock Hill High Clemson fans!

THE 1981 JUNIOR-SENIOR PROM

The 1981 Junior-Senior Prom was enjoyed by all who attended. "An Evening in the Orient" provided a romantic setting for the Prom. The "Original Drifters" provided the music, and everyone took to the floor and danced the night away! The Juniors' hard work and sacrifice paid off because the evening was a smashing success, measured by any standards.

"Frankie, if you get any closer, you'll wrinkle Debbie's dress."

Everybody has a great time at the prom.

PROUD TO BE A BEARCAT

Through the years people have come to realize that the Bearcats are the pride of Rock Hill. Good Bearcats gave their support "way back when" and they continue to give their support now. This same Bearcat Pride is something we hope will continue to be felt in the hearts of many for years to come.

CLASSES

SENIOR CLASS

The members of the Rock Hill High School Class of 1982 have finally reached the pinnacle of respect and admiration that only a graduating class has a right to expect. They have worked long and hard to achieve their goal, about which they began dreaming twelve long years ago. Now their last year in high school is culminating in one of the most rewarding experiences of their young lives. Of course, homecoming, the Junior-Senior prom, and the privileges of Senior life have all proved exciting for this year's graduates. The good times and the bad the Seniors have shared through these twelve years will never be forgotten, and these happenings have all helped to bring the Seniors close together in purpose and in school spirit. As "their" year draws to a close, the Seniors look with mixed emotions to the future. College and career life are waiting just around the corner. And most graduates are full of excitement and expectation just thinking about tomorrow. As the Class of 1982 reflect on their last year in public school, they realize that diligent work has largely prepared them for the life ahead; and they are proud to call themselves members of the Rock Hill High School graduating Class of 1982.

JUNIOR CLASS

The Class of 1983 has managed to trudge through the sometimes difficult Sophomore year and can now rest in the security of Junior life. The Juniors at Rock Hill High feel confident in being on the middle ground. No more do they have to take taunts as Sophomores, and not yet do they have to make the crucial decisions for the future. Typical elements of Junior life include ordering Class rings, planning and attending the Junior-Senior prom, and taking the Preliminary Scholastic Aptitude Test. New for Juniors has been Advanced Placement American history, which carries with it the possibility of earning college credit early. Also, other modifications in the eleventh-grade curriculum are continually being made in order to improve and enrich education for the Juniors. Now that they have managed to plow through their classes and enjoy their life at School, the feeling of security fades somewhat and Juniors begin anticipating the Senior year. It will not be easy, but the Juniors are ready and waiting to experience the most important year of high school.

"... our dear ol' Rock Hill High."

SOPHOMORE CLASS

Traditionally, Sophomore life at Rock Hill High School has meant a certain amount of teasing from upperclassmen. However, the excitement that all Sophomores feel about finally having arrived at high school has been sufficient to overcome the sometimes difficult daily regimen. Highlights of Sophomore activities include making new friends, joining clubs and organizations, attending all those exciting football and basketball games, and learning more and more every week about the traditions of Rock Hill High. These and other experiences have changed the day-to-day trudge of the Sophomores into an interesting new life. As the year closes, the Class of 1984 looks ahead, with fond memories of the past year, to the security they will enjoy as Juniors.

ORGANIZATIONS

ANNUAL STAFF

Editors: Mary Jane Green, Tammy Jo Haire

Members of the 1982 BEARCAT Staff are Juniors and Seniors who were chosen for their responsibility and perseverance. FIVE OUTSTANDING GRADUATES OF ROCK HILL HIGH SCHOOL

(as chosen by a committee of teachers, counselors, and former teachers)

For the third year the Bearcat staff features a section on Honored Alumni as proof that a good education is one of the essential ingredients of what is known generally as success. To be sure, the grace of God, hard work, and many other indefinable elements are necessary to achieve success; but a really good education is certainly indispensable.

The eminent graduates of Rock Hill High School whose pictures and *curricula vitae* follow were once students in this American public high school. They worked hard while they were here. They set their sights on their many and varied ambitions. And from the evidence offered within these pages these alumni have hit the mark.

It is the hope of the staff that the example of these distinguished graduates will inspire and encourage the present students of Alma Mater to the extent that one day in the not-too-distant future they will be invited themselves to fill similar pages in the Bearcat.

"I have fond memories of my four years at RHHS, including many outstanding teachers and many good friends. The 1954 edition of the BEARCAT remains in my office, and from time to time, I enjoy going back through it and recalling the good experiences and friends of those years.

My educational experience at RHHS was first rate. The guidance and foundation provided by the faculty served me well throughout college and graduate school, and indeed continues to do so. I shall always appreciate what Rock Hill High did for me."

If you can dream — and not make dreams your
master;
If you can think — and not make thoughts your
aims;
If you can meet with Triumph and Disaster and
treat those two impostors just the same;
If you can fill an unforgiving minute with sixty
seconds worth of distance run,
Yours is the earth and everything in it,
And — which is more —
You'll be a man, my son!

HONORED STUDENTS

The National Honor Society strives to project standards of leadership, character, service, and scholarship worthy of emulation throughout the school. Qualifications for membership include a high academic standing, an admirable level of performance in extracurricular activities, and favorable teacher recommendations. Throughout the year, the group performs various service projects to promote goodwill in both the school and community.

The team competes both in individual tests and in timed ciphering rounds.

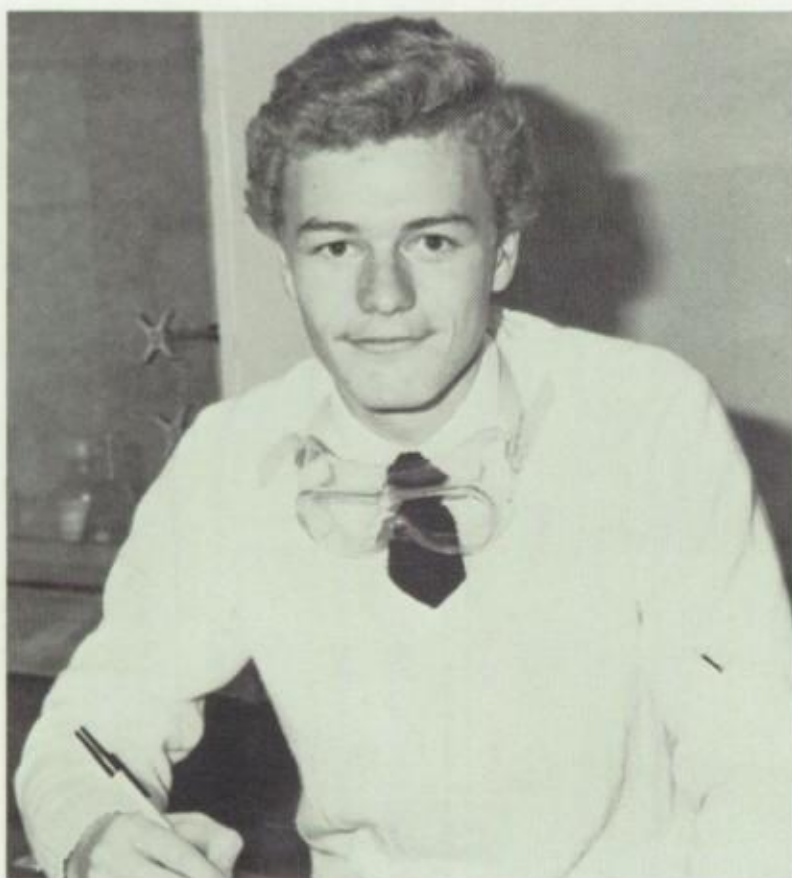

Math Team, (left to right): Jennifer Gardner, Lori Freeman, Kathi Shear, Margaret Carrington, Bryan Rawls, Jimmy Ray, Stacey Robinson.

William Randolph Hearst Scholarship Competition School Winner: Lisa Carter.

National Merit Semifinalists are chosen on the basis of superior scores on the Preliminary Scholastic Aptitude Test taken in their Junior year. If they are named Finalists late in their Senior year, they are then eligible for a number of scholarships awarded by private corporations and by the National Merit Corporation. These scholarships range in value from \$250 to an annuity of \$2,500.

Rensselaer Science and Math Award: Jimmy Ray.

The William Randolph Hearst Foundation, in cooperation with the United States Senate, sponsors the Senate Youth Program for high-school students involved in student government. The competition begins with government examinations on the local level, and the two state finalists receive a \$2,000 scholarship and an all-expense paid trip to Washington, D.C. During their week in the nation's capitol, the Senate Youth Delegates meet with the President, the Vice-President, Senators, and Representatives.

National Merit Semifinalist: Bryan Rawls.

The Rensselaer Science and Math Award is bestowed upon the rising Senior who has attained the highest academic standing in math and science. The award, a handsome bronze medal, is given to encourage superior students to consider attending the Rensselaer Polytechnic Institute in Troy, New York.

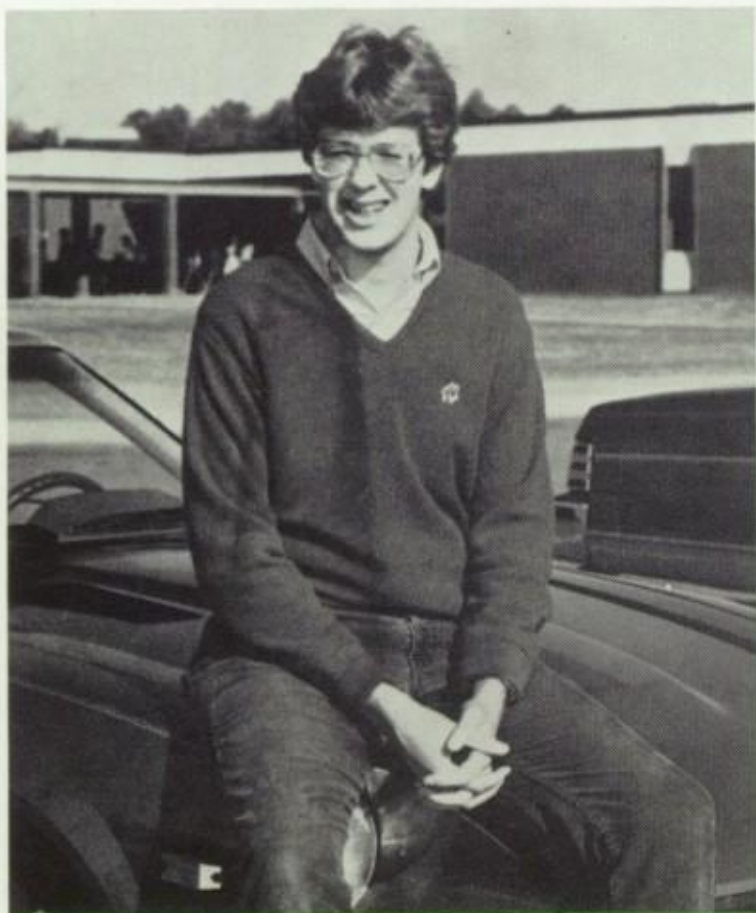

Presbyterian Scholars, Row 1: Margaret Carrington, Lori Freeman; Row 2: Bryan Rawls, Jimmy Ray.

Furman Scholars: Bryan Rawls, Margaret Carrington.

Carolina Scholars, (left to right): Laura Frank, Donna Helms, Bryan Rawls.

Century III Leader: Bryan Rawls.

Erskine Scholars participate in the E. B. Kennedy Scholarship Finals at Erskine College in Due West, South Carolina. They spend several days on campus touring the grounds and being interviewed by members of the administration. The purpose of the competition is to persuade students from around the state to explore the opportunities at Erskine.

DAR Good Citizenship Award: Bryan Rawls.

The Century III Leadership Competition is designed to promote admirable standards of scholarship, service, leadership, and awareness of current events. Century III Leaders at each school are chosen on the basis of a current events examination and a personal application. State winners receive a \$1,500 scholarship and an all-expense paid trip to Williamsburg, Virginia.

Erskine Scholars: Robbie Boone, Nancy Stewart.

The DAR Good Citizenship Award is given to a Senior who has displayed outstanding concern for school and community affairs. The school winner, chosen by a vote of the faculty members, is entered in a state scholarship competition. The state winner is chosen on the basis of teacher recommendations, the high school record, and a written statement of involvement in extracurricular activities.

Girls' State Delegates, (left to right): Margaret Carrington, Stacey Robinson, Lisa Carter.

Palmetto Boys' State delegates are chosen on the basis of their exhibited potential in the areas of leadership, scholarship, cooperation, and service. The 736 participants spend a week at The Citadel in Charleston, South Carolina, where they are separated into political parties, cities, and counties. Throughout the week, they are involved in many activities, including classroom instruction, athletic and musical activities, political rallies, and mock elections.

Sponsored by the Women's Auxiliary of the American Legion, Palmetto Girls' State is held at the University of South Carolina in Columbia. In addition to the traditional mock elections of city, county, and state officials, each Girls' State delegate participates in various banquets and government tours designed to enhance understanding of government processes. Like Boys' State, Girls' State culminates in the election and inauguration of a governor on the steps of the capitol in Columbia.

Boys' State Delegates Row 1: John McClurken, Jimmy Ray; Row 2: Bryan Rawls, Tommy Baker, Robbie Boone.

Academe Team, Row 1: Jett Jerome, Margaret Carrington, Stacey Robinson, Kathi Shear; Row 2: Allen Ratterree, Bryan Rawls.

The Academe Team, made up this year of six outstanding students, strives to quicken its recall of academic facts through constant investigation and drill. The group competes primarily on the Winthrop Challenge, a locally sponsored quiz program, with students from high schools from throughout the state. This year, the team has done particularly well, spurred on by the great enthusiasm of the team members.

Each year, Model UN Delegates from throughout the state assemble at Winthrop College to participate in a mock United Nations session. Aside from the regular floor sessions, the delegates also attend various committee meetings to voice the needs and opinions of the nations they represent. Rock Hill High's team prepares for the Model UN by staying abreast of issues important to the country given to them, which is Czechoslovakia this year.

All-State Members, Row 1: Chris Stephenson, Jimmy Ray; Row 2: Margaret Carrington, Lori Freeman, Kathi Shear, Donna Helms; Row 3: Worth Strecker, Bryan Rawls, Lindsay Mohle, Wendy Coleman; Row 4: Janine Gay.

Each year, interested band students begin the arduous process of preparing for All-State auditions. Long hours of practice and a certain amount of natural talent are essential to the success of the auditions, which are held in Columbia. Those who are chosen to participate in the All-State Band and the All-State Clinic Band spend a long weekend at Furman University in Greenville preparing for the annual concert, which attracts professional musicians from throughout the region.

These students were chosen by faculty members to appear on the television program *Showcase*. The program, produced by WNSC Channel 30, highlighted the schools in the area. Our representatives served to inform the public on upcoming events and also participated in a panel discussion on the problems confronting the school district.

Showcase Cast Members, (left to right): Donna Helms, Angie Lowery, Tammy Jo Haire, Jimmy Ray, Sue Ellen Wilson, Lisa Carter.

Governor's Scholars, (left to right): Jimmy Ray, Margaret Carrington, Bryan Rawls.

Optimist Youth are chosen by a faculty vote on the basis of their "all-round" accomplishments throughout high school. The boy and girl selected to represent Rock Hill High participate in a local radio program and are honored at an annual banquet sponsored by the Optimist Club of Rock Hill. The purpose of the honor is to stimulate appreciation of promising students from throughout the nation.

Optimist Youth: Stacey Robinson, Robbie Boone.

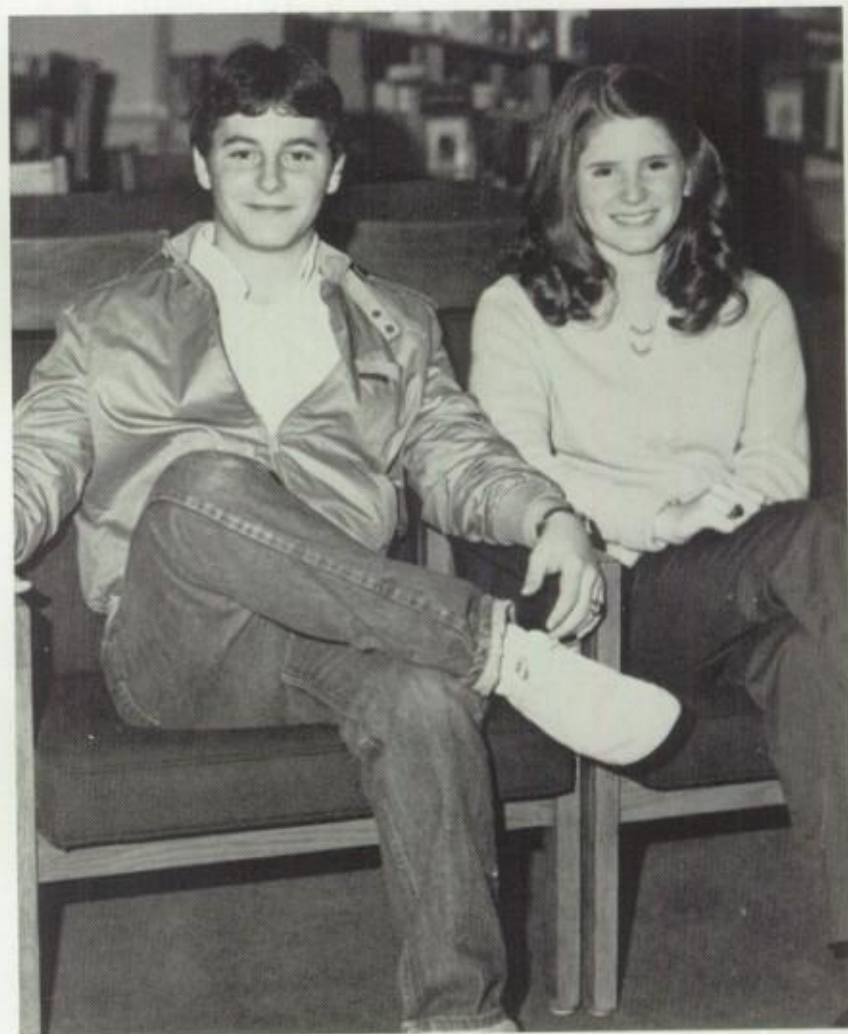

School Announcers, (left right): Jim Calkins, Tammy Jo Haire, Mike Allman.

South Carolina Energy Conference representatives were chosen by the principal and attended an assembly held at Winthrop College in the fall. This conference was begun to enhance awareness of this country's energy consumption problems and alternate possibilities for the currently high prices of energy sources.

Voice of Democracy Winner: Tammy Jo Haire.

Starting this year, the job of school announcer was divided among three persons dedicated to service to the School and to the idea that better opportunities for students can arise from daily informative bulletins. The three announcers were chosen at the end of the last academic year through auditions voted on by the faculty.

South Carolina Energy Conference Representatives: Jett Jerome, Stacey Robinson.

The Voice of Democracy speech contest is designed to promote patriotism and good citizenship among American youth. This goal is achieved each year through competitive orations, which are both written and performed by aspiring students. Awards are given on various levels of competition, including local, district, regional, and national levels.

All-State Honors Chorus, Row 1: Tanya Ludlam, Tanzella Barber, Rhonda Hyatt, Lisa Dal Pogetto, Sharon Kennington; Row 2: Chris Faulkenberry, Ronnie Bailey, Mike Allman, Jim Calkins.

The most venerable honor a choral student can have is to be chosen as a member of the All-State Honors Chorus. The members of this assemblage have been fortunate enough to achieve the best of scores in the autumn auditions. Their annual concert has continually proved an example worthy of emulation by all who revere high standards of voice production.

Members of the All-State Regional Chorus are selected through competitive auditions held during the fall. These students spend an All-State weekend in the spring preparing for an afternoon concert, which annually proves to be impressive and enjoyable for all to hear.

Dear Rock Hill, High (Hi)!

Some guys will do anything to write in your yearbook. 'So stay as sweet as you are and never change.' Everybody always says that; so I'll be different. Stay half as sweet as you are and change a little. There.

Well, I've had tough jobs before and picking only 20 girls out of a lot of pretty Rock Hill High girls ranks right up there...but here you go.

Thanks for the honor of making me a judge. Why, I feel touched...as a matter of fact I AM TOUCHED!

So, stay as sweet as you...oh wait...I've already said that. Never mind. See you on the radio.

Keep in touch with yourself,

Every man is the builder of a temple called his body. . . We are all sculptors and painters, and our material is our own flesh and blood and bones. Any nobleness begins at once to refine a man's features, any meanness or sensuality to imbrute them.

The 1981 Bearcat Football Season was one of hard work and excitement. The excitement came on the playing field before over six thousand people each week while the hard work happened every day of the week from January to November. The blood, the sweat, and the tears that were shed during these ten months of hard work, though, paid off on Friday nights at eight o'clock when the Bearcat Varsity football team took the field. The excitement and support that is unique to a football game was not lost when the 'Cats took the field as our fans loudly voiced their support.

The 1981 Season began September 4 as the 'Cats journeyed to Charlotte, North Carolina, to play the Myers Park Mustangs. The offense was played with the first-game jitters, committing over ten fumbles. However, the defense controlled the game enabling the 'Cats to open the season with a victory. The second week of the season pitted the Bearcats at home against Chester High School. The spotlight was to shine on the offense this night with the Bearcats winning 63-0 as every offensive back reached the endzone to score. Next the 'Cats visited Easley High School which proved to be the first real challenge for the '81 Cats. A 7-6 victory for the 'Cats ran the record to three wins and zero losses and a fifth-place ranking in the State. The fifth-place Bearcats visited the State's third-ranked team, Gaffney, for the fourth game of the season. Coach J. M. Wallace's Bearcats fell to the Indians of Gaffney High. Returning home the next week, Rock Hill met Spartanburg in a tough battle, but came short. The sixth week was dubbed "Homecoming for the Bearcats." Amid the fabulous festivities, the Bearcats dropped another loss bringing the overall record to three wins and three losses.

Mike Wherry, #95, tries his hand at cheerleading.

"O When the 'Cats Come Marching in . . ."

The Bearcats traveled to Boiling Springs, South Carolina, for the seventh week of play. Homecoming was in the air at Boiling Springs High School, and the Bearcats spoiled the festivities by overcoming the "Bulldogs" to add another win to the Bearcat record. The next week, the Bearcats were on the road again to Wade Hampton High School in Greenville. Homecoming was again the theme. The "Generals" realized the meaning of Homecoming to salvage a victory over the Bearcats. The ninth week of the season saw the Bearcats at home against the Lancaster High School "Bruins." The Bearcats added a win to their record defeating the "Bruins" in a grudge match.

In the tenth and final week of regular season play, the Bearcats lost a heartbreaker to cross-town rival Northwestern. As always, both teams played with unparalleled effort and emotion, but the Bearcats did not have Lady Luck in their cheering section.

After the Northwestern game, the Bearcats progressed into the "Big Sixteen" playoffs. The "Big Sixteen" was a division of the sixteen largest high schools in South Carolina according to student enrollment. These sixteen teams participated in the "Big Sixteen" play-offs to determine a State Champion. The Bearcats traveled to Greenwood for the first round. This game would be the last for the 1981 Bearcat Varsity Football Team as they lost to Greenwood High School.

The 1981 Bearcats finished the season with a record of 5 wins and 5 losses. During the season, the members of

the team learned many lessons of life through the devoted efforts of the coaching staff. However, the coaching staff was the target of criticism of people who knew nothing of football. Obviously a coach must have a special type of personality to withstand this unknowledgeable criticism. A coach is in a very difficult position, one which the average person would not be able to handle. Fortunately, the 1981 Bearcats were blessed with a coaching staff that was the best in South Carolina. Most teams overlook the love of their coaches and their devotion. In light of this, the 1981 Bearcats would like to thank their coaching staff for all their work. The 1981 staff consisted of:

J. M. Wallace, Head Coach
 Jim Barnes, Defensive Backfield Coach
 Ron Green, Defensive Ends, Linebackers Coach
 Bobby Nies, Defensive Line Coach
 Tom Weaver, Offensive Backfield Coach
 Y. C. Winborn, Wide-Receiver Coach and
 Butch Windell, Offensive Line Coach

GOLF

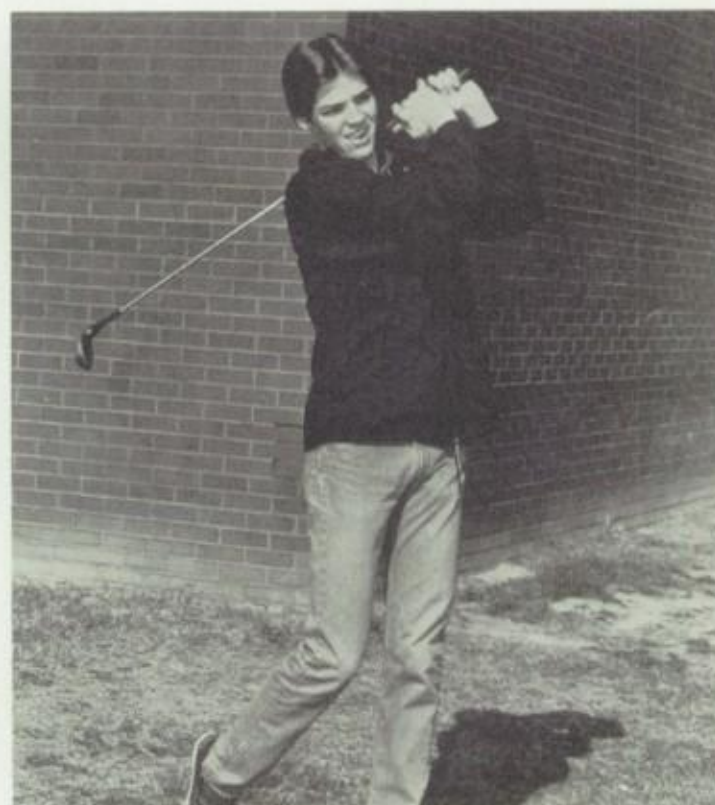

Left to Right: Chalmers Jackson, David Duffy, Jeff Pilcher.

The Rock Hill High School Golf Team had a record of 10-7 last year. Last year's team was very young but worked very hard to place third in the region with a total score of 643. Team members this year include Sam Musgrave, Jeff Pilcher, Randy Adams, David Duffy, Steve Connally, and Travis Pilcher. Again this year the team is young but has great enthusiasm with hopes of qualifying for the state 4-A tournament. Team members play every day at the Rock Hill Country Club to improve their individual skills.

"Fore . . . !!"

David keeps his eyes on the ball.

BOYS' BASKETBALL

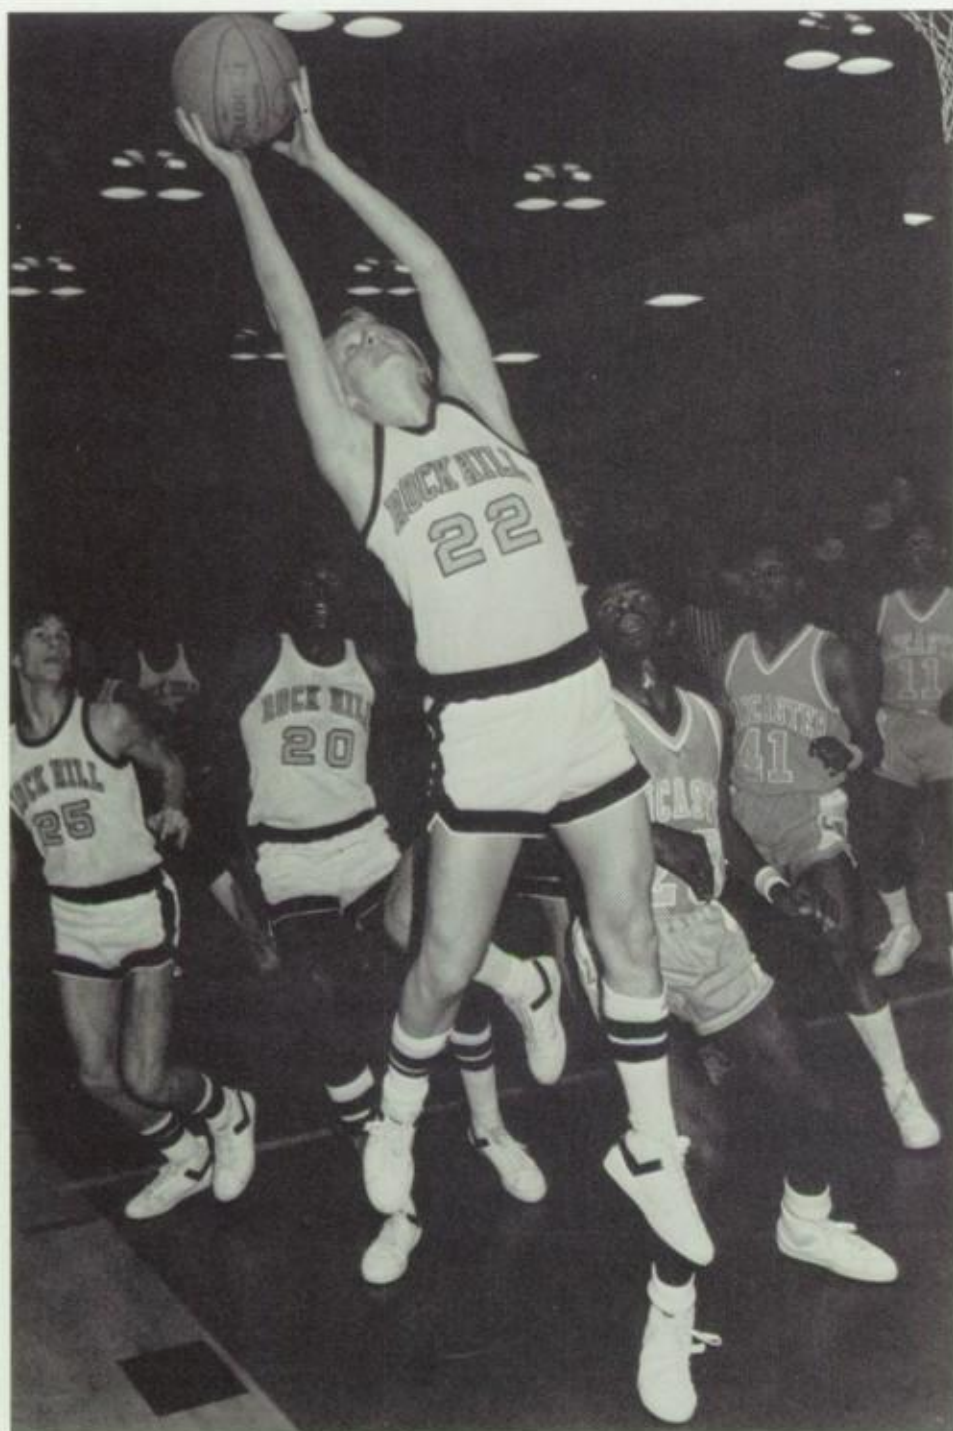

Boys' Varsity Basketball Team (First Row) Tony Brown, James Howze. (Second Row) Aldo Hemphill, Mike Smith, Robbie Boone, Lindsey Ingram, Emmett Browning, Billy Little, Will Stephenson, Keith Fields (Manager).

The 1981-82 Boys' Varsity Basketball Team definitely provided excitement to the games. The team was one that would "run and gun" with the ball. They kept a very quick tempo, always attacking the opponent trying to create scoring opportunities. Coach Jim Bolt used pressing defenses and shooting offenses to provide the excitement of his team.

The Varsity Boys' season was a long one in which the team worked hard for every win. The team was one of the most dedicated teams in Rock Hill history. They began working in April and continued through the summer and into the next school year until the first game in December. After the season began, the boys began perfecting what they had learned. In December, as the Bearcats faced Olympic High School in Charlotte, they won the first game of the season to begin what would be an interesting season.

Aldo Hemphill takes the ball to the limit!

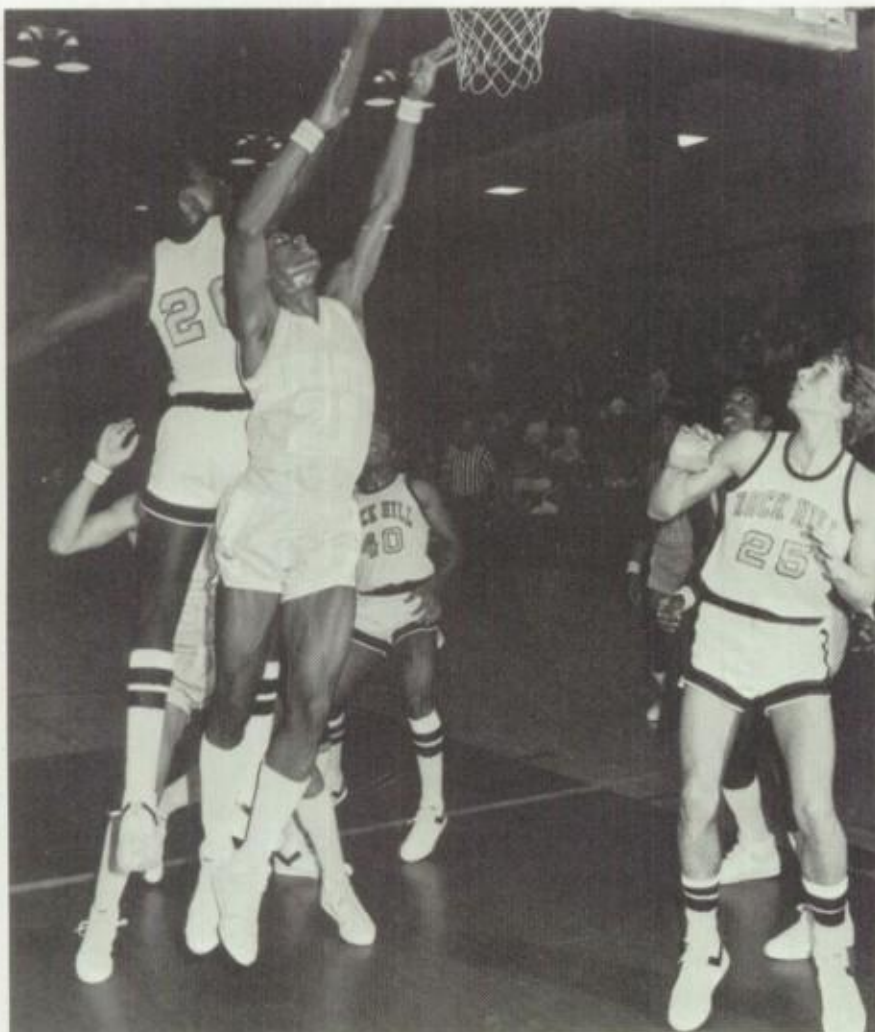

Michael Smith is definitely a quick rebounder.

The Bearcats faced Northwestern early in the season in the consolation game of the Sertoma Classic. The team overcame a fourth-quarter rally by the Trojans to take the victory in overtime. The next meeting of the two was in the Northwestern gym where the Cats again walked away winners. The two teams would meet again later in the season.

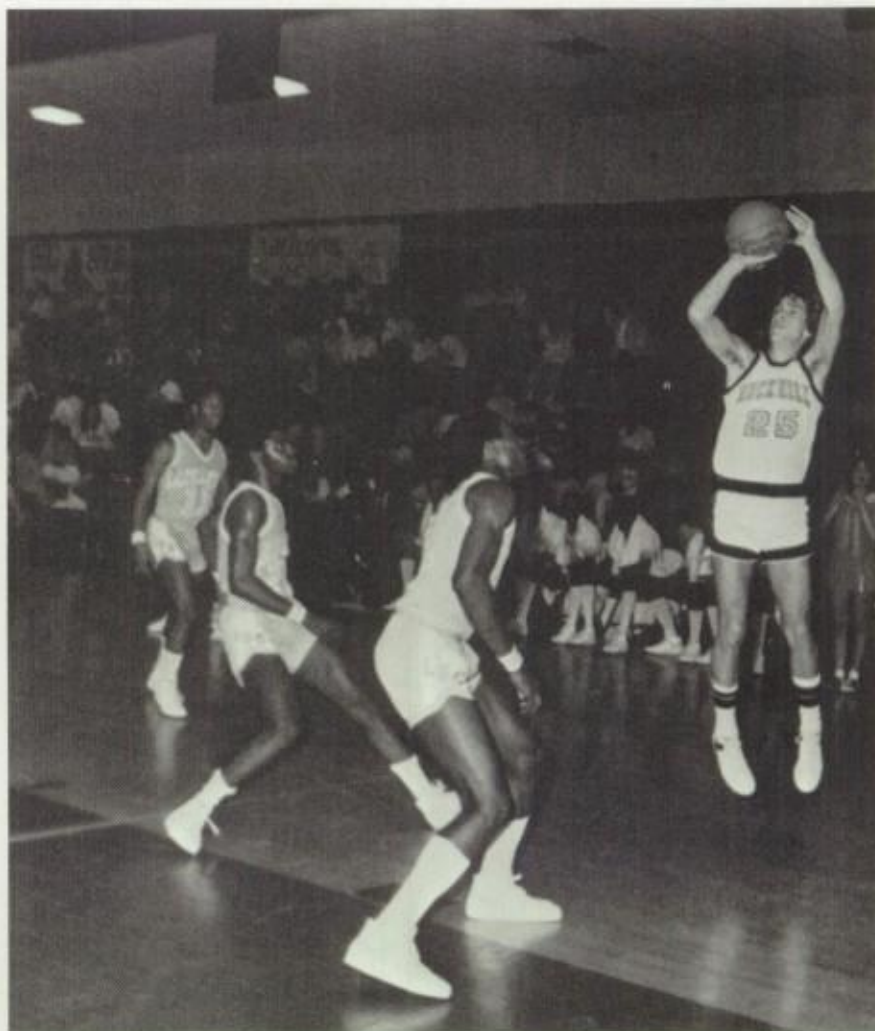

Although the Boys' Varsity proved too much for Northwestern, they had a season filled with ups and downs. The team played excellent basketball all year and never gave up trying to win the State playoff. The team exhibited the true "class" of Rock Hill High each time they took the court.

The Bearcats have the Bruins at their feet!

The Girls' Basketball Team finished up the season with a 6-15 record and 4-8 in the region. It was a rebuilding year that had its inconsistencies; however, many individual as well as team goals were achieved.

BASEBALL

The 1982 Bearcat Baseball Team had a successful 1981 season. Coach Greene has the entire squad returning with the exception of three players. For this reason the 'Cats are picked to be a powerhouse in this year's Region 2-AAAA Conference.

Standing: Jeff Brown, Rex Craft, Randy Brock, Brian Benfield, R. J. Ochoa, Chip Hutchison, Bernard McCullough, Rick Peeler, Howard Mitchell.

The track team must practice many long, hard hours to prepare for the meets.

The 1981 Track Team, under the coaching of Y. C. Winborn, accomplished many goals during their active season.

The team placed tenth in the Carolina Invitational, fourth in the Furman Invitational, eighth in the Optimist Relays, fourth in the Trojan Relays, third in Region II AAAA meet, fourth in Upper State AAAA meet, and tenth in State AAAA meet. Benet Massey and Calvin Pickett led all scorers with 284 and 210 points respectively.

The Bearcats ended their dual meet season with a record of 10 wins and 3 losses which placed them third in Region II AAAA.

GIRLS' TRACK TEAM

Standing (Left to Right): Monica Patton, Jocelyn Hyatt, Kim Grant, Mary Manton, Angie Bailey, Donna Harbin. Sitting: Connie Eish, Barbara Comer, Yvonne Massey, Gloria Cureton, Anita Blake.

Anita hands off the baton to Yvonne in the 330 relay race.

With an increase in participation and a show of talent, the 1982 Lady Cats have hopes of developing a top-notch track team. For the past couple of years the Team's strengths have come from this year's Seniors: Anita Blake at the quarter mile, Connie Eish running the half mile, and Jocelyn Hyatt throwing the discus and shot. With quite a few additions to this talent, the Team, coached by Debbie Hammond, has plans for a more solid unit to perform consistently well against the opposition.

Connie practices to make the best time in the 100-yard dash.

GIRLS' TENNIS

Kneeling (Left to Right): Lori Freeman, Julie Davis, Kelly Green, Rhonda Hyatt. Standing: Laura Frank, Kim Fischer, Kathy Salmons, Coach Ireland.

BOYS' TENNIS

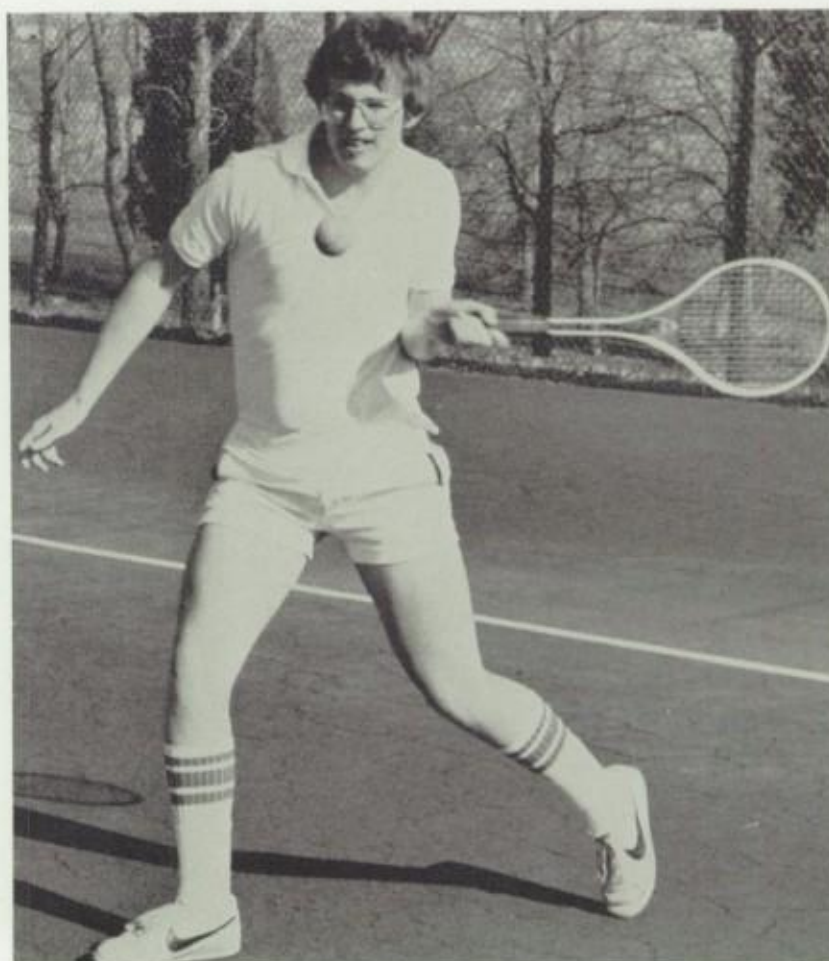

The 1980-81 Bearcat Boys' Tennis Team had a very good season against a tough schedule. With very fatiguing practice under the guidance of Coach Bob Norwood, many of the boys did well at the regional tournament. Under new coaching, the 1981-82 Bearcat Boys' Tennis Team is expected to do well with returning Seniors Tommy Baker, Jens Schoenfuss, and Tony Varnadore. Also returning are Tripp Sherer and Joerg Schoenfuss. The Bearcat Tennis Team has a host of new talent and new "Bearcat Spirit," so go get 'em boys!

(Left to Right): Joerg Schoenfuss, Tony Varnadore, Bruce Cauthen, Tommy Baker, Kevin Jessop.

Tommy serves with the greatest of ease.

Tony follows up with a perfect return.

SOCCER

RHHS Soccer Team (Kneeling, from left to right): Mike Pearson, Mark Watkins, Doug Curdt, Mike Watkins, Bill Worden, Randy Stevenson. (Standing) Marty Green, Jeff Knecht, Jerry Stroupe, Rex Averitte, Chris Tuten, Tray Turner, Scott Bagley, Donnie Rakestraw, and Tim Hovis.

Disappointment without discouragement characterized the attitude of the RHHS Soccer Team this year. When they scheduled seven of the top ten teams in South Carolina and then had a team comprised of mostly ninth-graders, they knew it would be a difficult year. However, the Team felt that although the schedule would not make their record any better, it would probably make the members of the Team better soccer players. In this respect, the season was a success because the underclassmen saw the work that would be required of them if they want to make champions of themselves and of the RHHS Soccer Team.

CROSS COUNTRY

(Left to Right): Frank Cagnina, Scott Foulds, R. J. Ochoa, Chip Hutchison, Kevin Murphy, Jim Koterba.

The Bearcat Cross Country Team completed a very successful 1981 season. The team's commitment to work hard and their dedication to Rock Hill High School proved to be a winning combination. These fine young men are representatives of all the best Rock Hill High School has to offer. "Our pride is showing."

And they're off!

Here comes R. J.

VOLLEYBALL

Standing (Left to Right): Robin Eirrein Hof, Debbie Funderburk, Pam Westmoreland. Sitting: Donna Davis, Seberina Barber, Regina Sweatt.

Seberina concentrates on the ball.

Although the Girls' Volleyball Team did not meet all the goals established for it in pre-season practices, Coach Debbie Hammond claims the team developed "a stable foundation for future power volleyball." The team recorded a 9-16 season with a 3-3 region mark which rendered the Lady Cats short of their 15-win goal.

The team loses only two Seniors, including All-Region Seberina Barber, and have several starters returning. Plans to improve individual team members' different abilities to eliminate the weak points in team performance and allow them to adapt to opponent strategies should prove successful in the upcoming season.

Donna gets ready to serve.

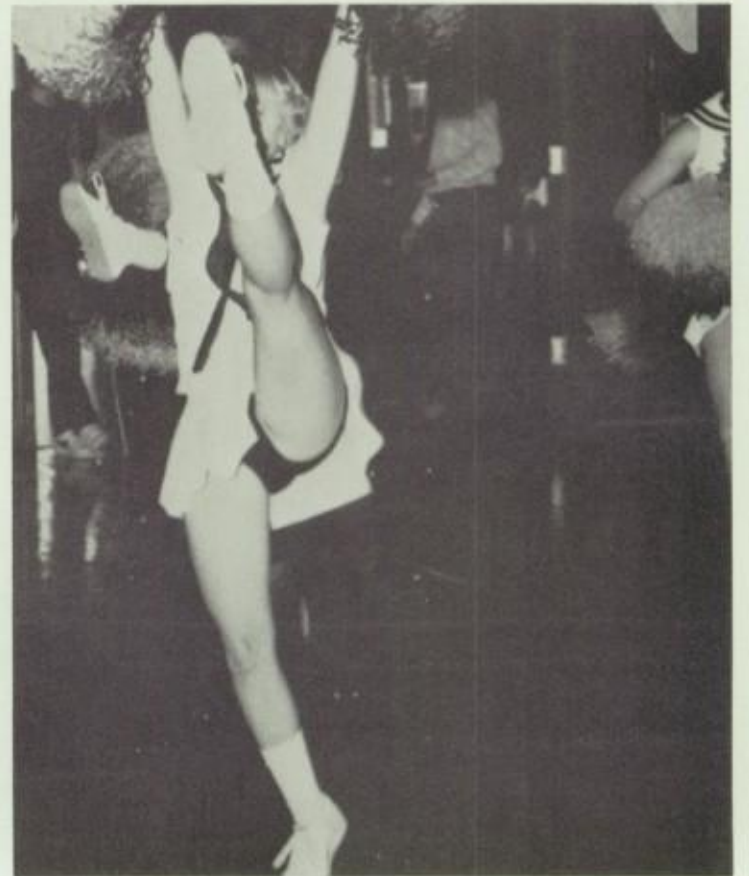

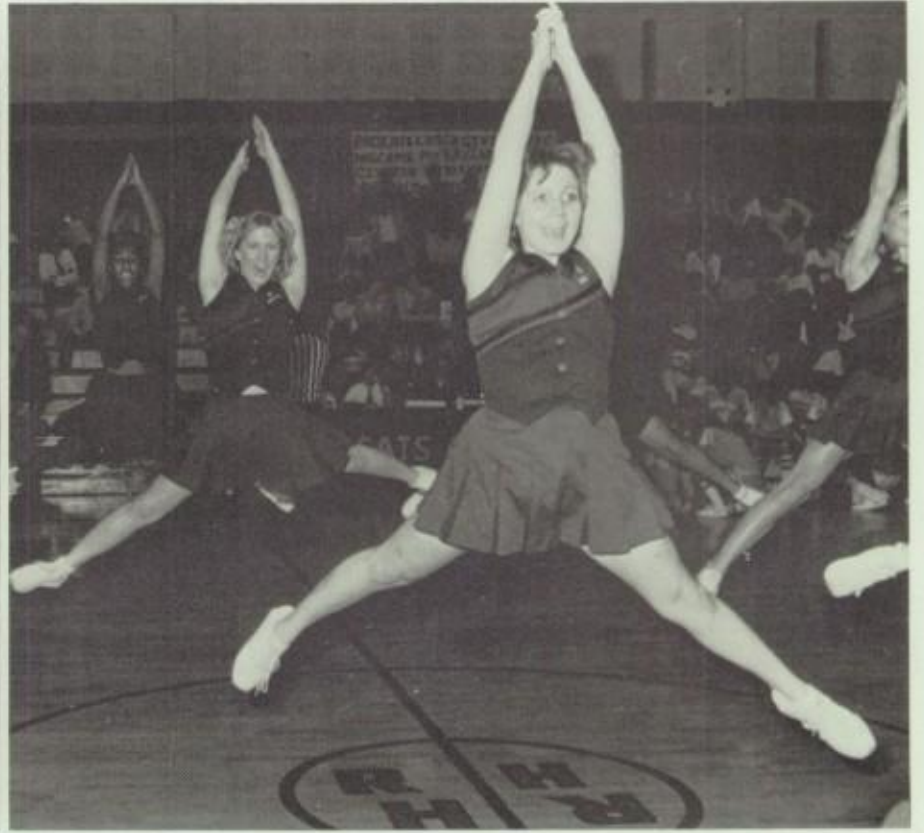

VARSITY CHEERLEADERS

Row 1 (Left to Right): Carolyn Yonce—Sponsor, Lisa Dixon, Rhonda Hyatt, Kelly Peay, Tina Sheheen, Angie Lowery, Charlene Newton, Susan Workman. Row 2: Melanie Williams, Sue Ellen Wilson, Christie Humphrey, Mary Genier, Andrea Jones.

The Rock Hill High Cheerleaders of 1981-82 generated spirit and enthusiasm throughout the year beginning with the Football Jamboree. The student body was led through football and basketball season by these very energetic young ladies. The Varsity won third place in the East Coast Cheerleader Association Competition in Columbia and JV's entered the Fall Competition at Carowinds. Spirit at Rock Hill High reached an all-time high under the leadership of the twenty-two girls elected to represent us.

CONCLUSION

In Memoriam
Anwar Sadat
1918 - 1981

Anwar Sadat, a Nobel Peace Prize recipient, was savagely murdered on October 6, 1981. His leadership in bringing peace to the Middle East was his greatest contribution to the world. His was the first voice of the Arab world to accept an alternative to violence with Israel. He shall be long remembered by everyone.

In Memoriam
Heyward A. Carr
1909-1981

Mr. Carr, a graduate of Erskine College, was head football and basketball coach at Rock Hill High School from 1937 to 1940. He was also head coach for the Second Carolinas Shrine Bowl Game.

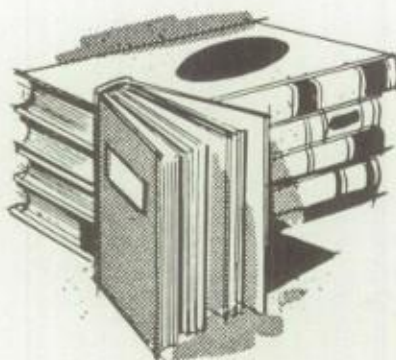

In his brief tenure as mentor for the Bearcats, Heyward Carr left his mark on the lives of dozens of young men who passed through Rock Hill High School. Sportsmanship and integrity of character were the hallmarks of his days at "dear ol' Rock Hill High."

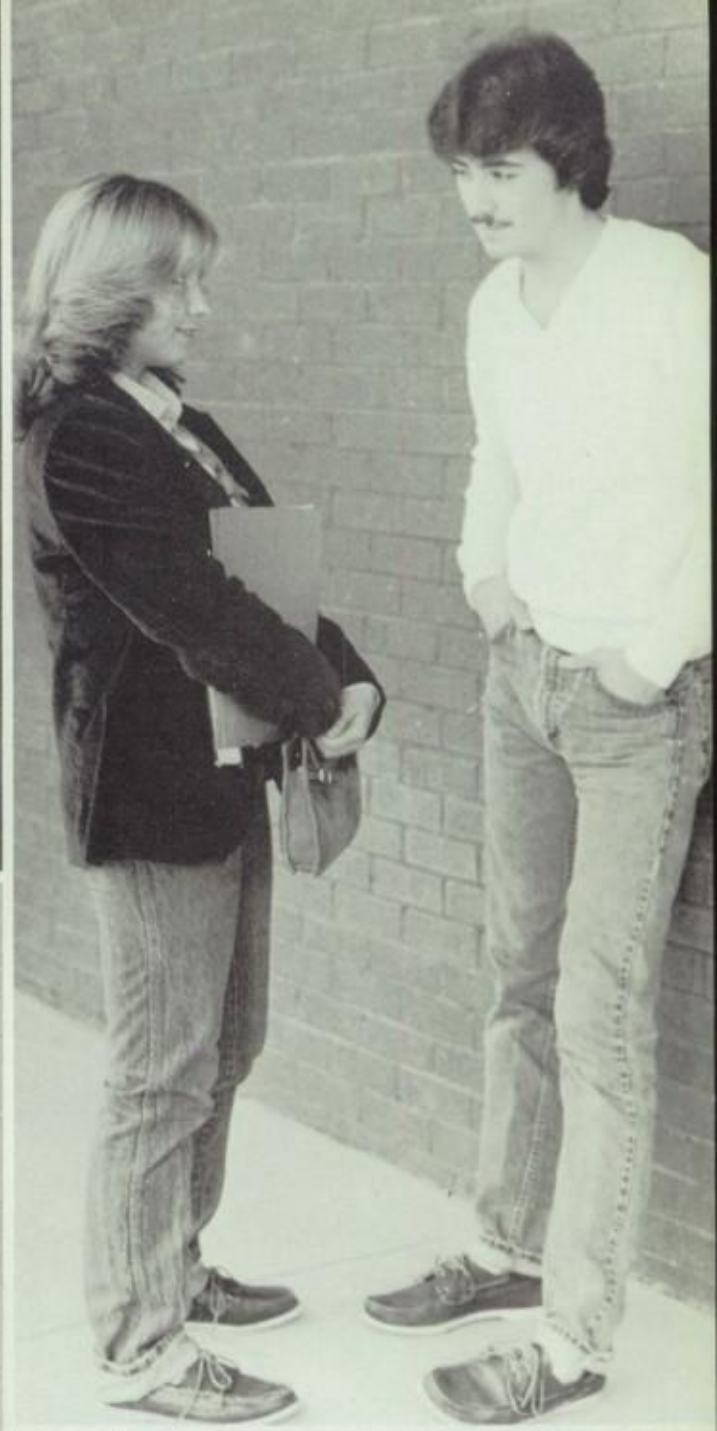

A SALUTE TO THE RHHS ACADEME TEAM

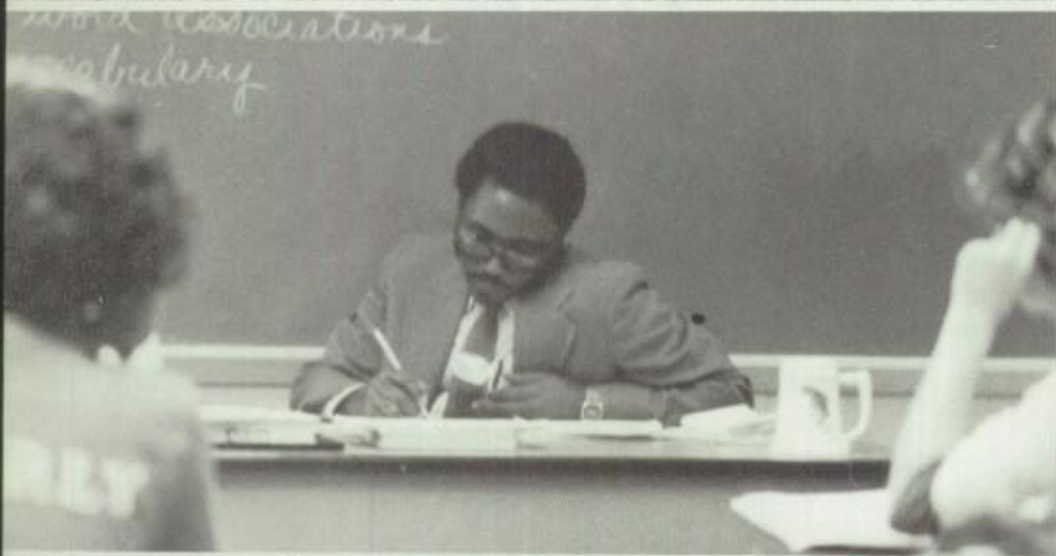

Rock Hill High School students who participated in the Winthrop Challenge, the state-wide TV program which features the best in South Carolina high school "brain talent," are (from left above) Margaret Carrington, Stacey Robinson, Jett Jerome, and Bryan Rawls.

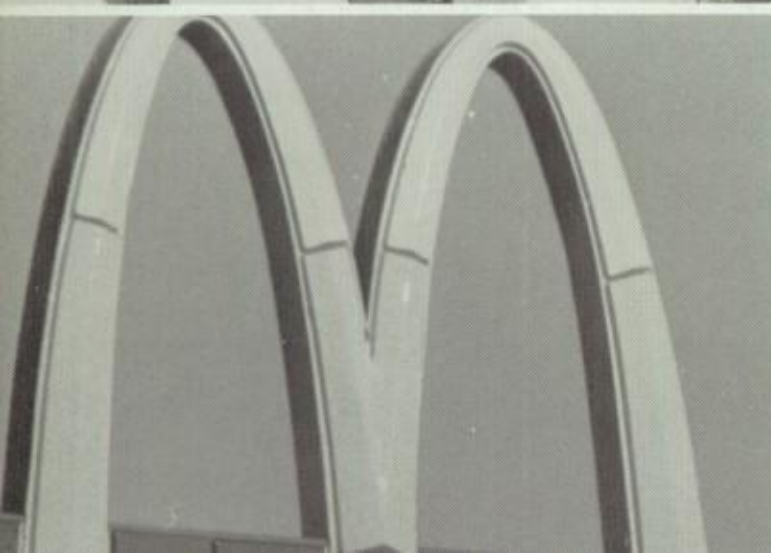

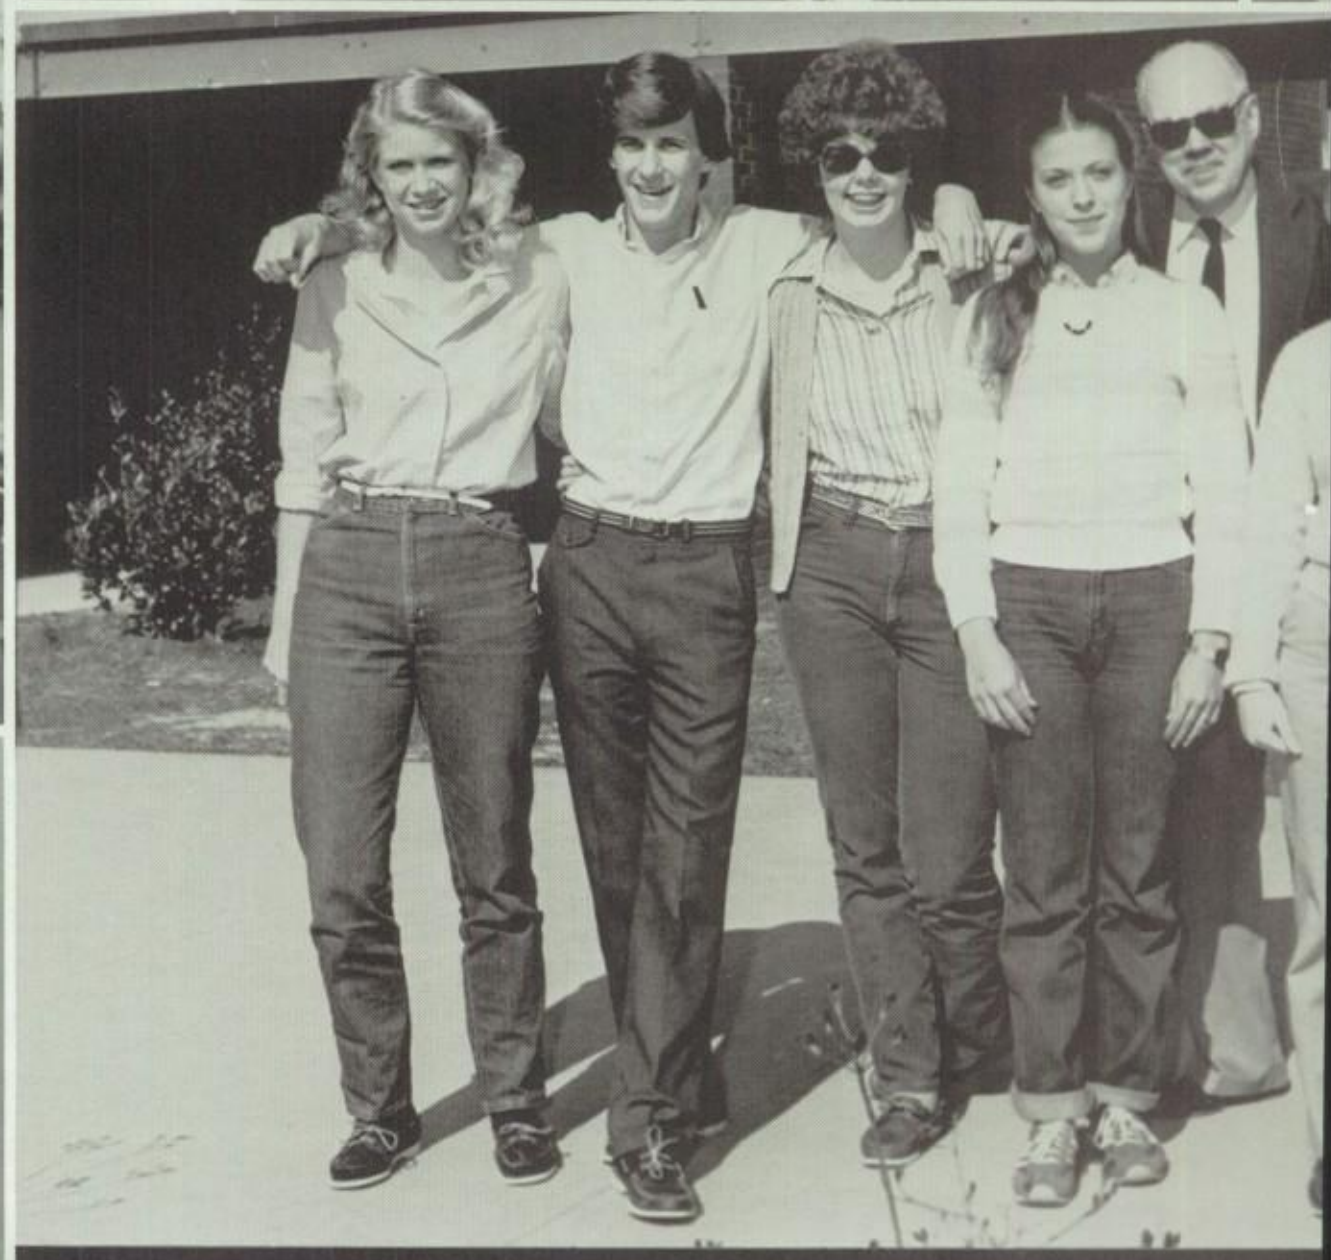

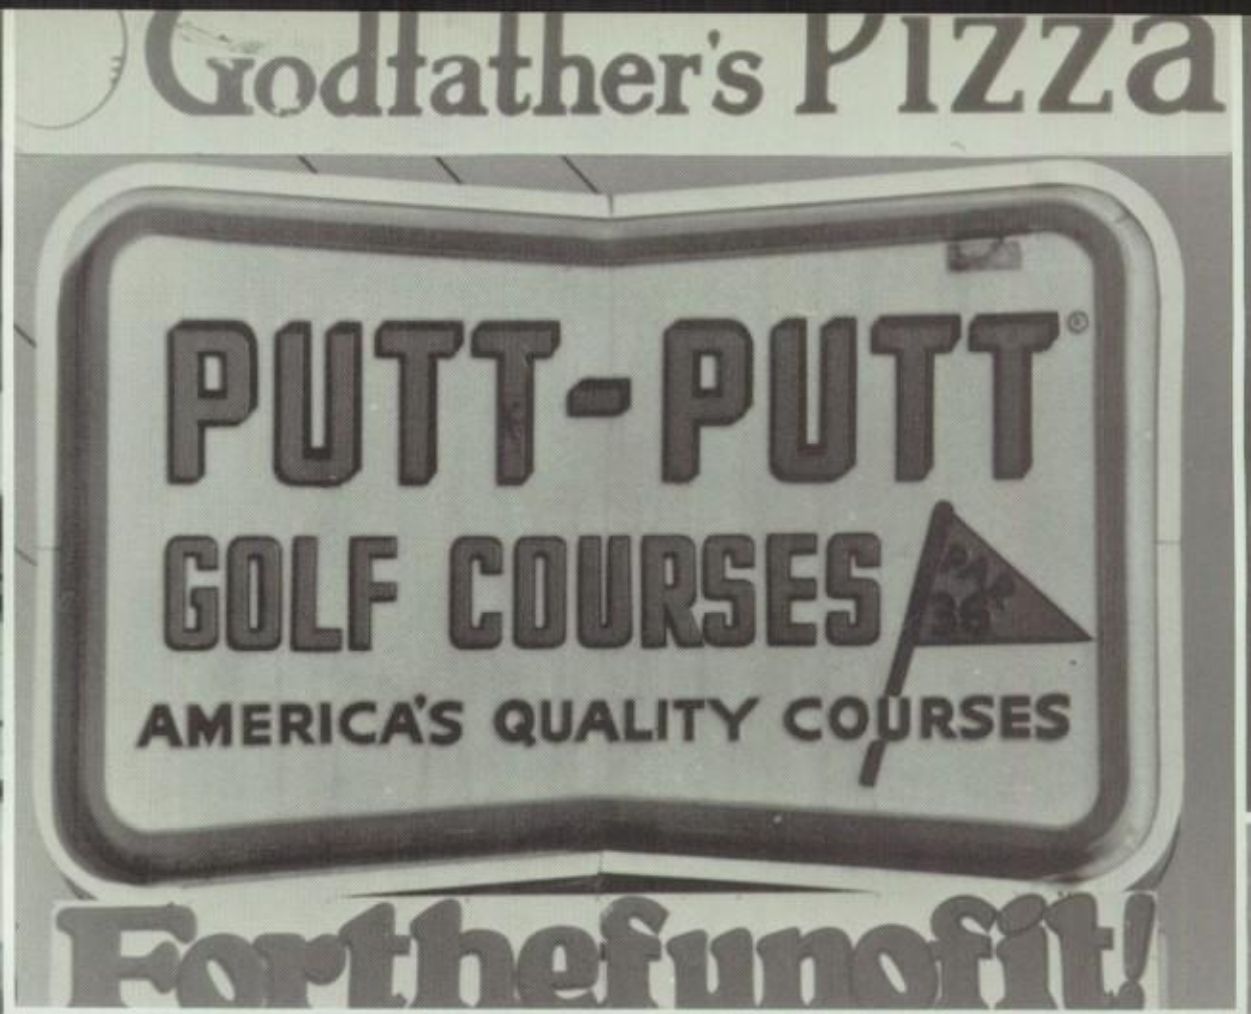

Hats off to these Seniors for proudly going forth to do battle for Alma Mater! And a special word of thanks to their indefatigable sponsor, Mrs. Mary Wood Long!

In Grateful Remembrance of —

RICHARD CLYDE BURTS 1882-1938

Renowned and beloved Superintendent of the Rock Hill Public Schools,
1914-1938 —

on the occasion of the centenary
of his birth . . .

RC Burt.

And of —

MARIAN DORN KUYKENDAL 1906-1972

Teacher of art at Rock Hill High School and designer of the original seal of the School —

on the occasion of the seal's being featured as the frontispiece of this volume.

THE BEARCAT PRAYER

Teach us, Good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save knowing that we do Thy will; through Jesus Christ our Lord. Amen.

—Saint Ignatius of Loyola

ALMA MATER

We sing to thee, our Alma Mater,
From hearts that glow with pride sincere.
Thy mem'ry ever lingers with us
Though we be scattered far and near.
Whate'er we win of fame or fortune,
For High School days we oft will sigh.
We'll cherish still our Alma Mater,
Our dear old Rock Hill High.

Let loyalty now be our watchword,
A theme that's dear to one and all.
Though far away we oft may wander,
We'll ever hear thy ringing call.
Our thoughts will linger with thee ever;
Our hopes and dreams will e'er be true.
Our hearts forever will be loyal,
Dear Rock Hill High, to you.

—Catherine Timmerman Moore

FIGHT SONG

On, you Bearcats! On, you Bearcats!
Fight on through that line!
Take the ball down to the goal post!
Touchdown every time!
Fight! Fight! Fight!

On, you Bearcats! On, you Bearcats!
Fight on for your fame!
Fight, Bearcats! Fight!
And we will win this game!

Bill Emmell

Susan,
This past year has been probably my best year in existence. You were a very special part of that year. You mean a lot to me not just as a friend but as a close companion and can confide in. You are a great part of my memory. You are a talent that's welcome around me all the time. Good luck in everything you do and have a great summer.

Susan,
I'm glad I met you at the beginning of this year, and that we had our date, I hope that you had no hard feelings about whatever happened cause I don't know what it was. — ... ? I assure you I have none. (hard feelings or regrets)
Hope to see you over the summer.

ACKNOWLEDGMENTS

To Our Readers: As this school year comes to a close, the yearbook staff have completed another edition of **THE BEARCAT**. We hope that this book will foster many fond memories of the past year, but we regret that strict time limitations have sometimes prevented the inclusion of records of other memorable occasions. As the Seniors examine this book in years to come, we hope they will experience the feeling of nostalgia we have endeavored to provoke with our yearbook.

The Senior members of the staff would like to leave you a few words of wisdom which we hope will make your remaining years at Rock Hill High School some of the best years of your life. No one has said it better than Franklin D. Roosevelt: "The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with strong and active faith."

To the following people, we would like to express our heartfelt appreciation for their part in making the production of **THE BEARCAT** an enjoyable experience:

- Mrs. Beryl Tittensor, of Scotland, for the splendid heraldic drawing depicting the Rock Hill High School seal;
- Horace and Bill Blackston, for their many favors, for good photography, and for good advice;
- Mr. Cook, Tammy Brown, Mike Carroll, and Kevin Kyle, for the many interesting pictures that they took for **THE BEARCAT**;
- Tony Herring, for his enthusiasm as a former Bearcat and for his kindness in thinking of **THE BEARCAT**;
- Robbie Boone, for his write-ups about the football and basketball teams; and Tommy Baker, for the tennis write-up;
- The Delmar Company, for their superior printing techniques;
- The Evening Herald, for many of the best photos in the annual;
- Clemson University newspaper, **The Tiger**, for pictures of the national champs;
- Miss Irene Kneece, for all the material for the CDC section;
- Mr. Lessmeister, Mr. Parker, and the faculty and staff of Rock Hill High School for their unfailing support;
- Radio WBCY's John-Boy, for selecting the 1982 Senior Beauties;
- and Mr. White, for his help in guiding us to the completion of the yearbook.

Susan,

It has really been great knowing you all these years. I think this year at R.H.H.S. was awesome. I think this year at the beginning of the year you are sweet, pretty, smart, and a great friend. Don't change, keep in touch, and have a great summer, OK!

Susan,
It's been great knowing you for the past couple of years. Have a great summer and enjoy yourself.

Susan,

I am so sorry that things didn't work out between us. You are such a beautiful girl. I really can't explain what happened, but I hope that you will find some strength to forgive me. I hope you will believe me when I say that I really did care and still do care. I know that is hard to believe but it's true. I also hope that we can remain friends and have no hard feelings toward one another. Now let's go to something not so serious. I'm glad you made Ensemble next year. You are too talented to ~~not~~ not away in Concert Choir. I hope that you do not get too involved in your piano or voice to neglect the other. You should also keep up in your schoolwork. You must stay well-rounded in all areas. Now all I can do is wish you luck in all your activities in the future, so Good Luck.

Love
Ronnie Bailey

P.S.

I hope you don't mind if I call you over the summer or maybe ask you out.

Susan,

I'm glad we met (again) this year! I'm also glad we became best friends! I think you've been the most loyal, caring, + trustworthy friend I've ever had! Even though we get on each other's nerves (much!) we still can talk about anything and everything! It's good to know that you can tell someone your problems + feel sure they will keep it to themselves. It is really amazing we are still same after all we've been through in these past couple of months! If it wasn't for you I don't think I could have made it! THANKS. You are very pretty, + considerate (and you sing good, too!). I hope we will be best friends for a long time to come. Thanks for everything!

Love always,
Tracy ☺
